

Arizona Civics Coalition Civic Education Programs

The Arizona Civics Coalition . As part of this effort, information on civics programs active in Arizona schools is being collected in order to assess where and how civic education is delivered in the state. Please take a few moments to complete this form, and information about your program will be posted to the Coalition website at AzCivics.org.

Short Description of program:

(please attach descriptive materials such as a program brochure or brief narrative)

Which approach(es) to civic learning does this example best describe? *Choose up to three.*

- Instruction in government, history, law or democracy
- Guided discussion of local, national, and international issues and events
- Service-learning and community service tied to the curriculum
- Extracurricular opportunity for students to become involved in their schools and communities
- Student participation in governance of classrooms, schools, or districts
- Simulations of democratic processes and procedures

Please attach a list of Arizona schools at which your program is currently active, or a roster listing which schools students participating in your program attend (specific student data is not needed).
